march/april 2010

Schedule of Classes

Kindergarten Enrichment Program

March: Body Oz begins! Students will explore the inner workings of the human body as they investigate the brain, heart and organs of the body. Students will also focus on the digestive system and wrap up the month with skin and bones. K.E. medical school here we come!

April: Music Academy: Kindergarteners will go back in time to learn about three of the most influential composers of our time—Bach, Mozart and Beethoven. Our young musicians also will learn about the parts of an orchestra and the different instrument groups.

Hours: 8:30am-11:30am (am)
11:50am-2:50pm (pm)
