The #1 reason to join the
Parent Teacher Association - benefit your child!
In doing so, you also help LFCSA!

Get Connected. There's no better way to know what's happening in your school.

Discover Great Resources. The PTA offers a variety of programs designed for parents as well as students.

Benefits your child and benefits our schools. More than 85 rigorous academic research studies conducted over 30 years of research proves that kids do better when parents are involved. Grades are higher. Test scores improve. Attendance increases.

Means More Informed Parents. Parents involved in PTA understand the challenges schools face and become part of the solution. They support improving education, both locally and legislatively. By developing a closer relationship with parents, student achievement improves, and the school develops a positive reputation in the community.

Provides Great Resources. The PTA offers a variety of programs designed for parents as well as students. Resource materials and training opportunities are plentiful in PTA.

Results in School Improvement. By getting involved at your child's school you'll be part of the solution, helping make positive changes. Local PTAs play an important role in fundraising to provide building improvements, curriculum-based programs and social events – all vital to a school's success.

Makes You a Good Role Model. By becoming a PTA member, you'll be demonstrating to your child the importance you place on education.
