## ***PLEASE HELP OUR SCHOOL***

**Los Feliz Charter School for the Arts** (LFCSA) is a parent-founded, charter elementary school in the heart of Los Angeles. We serve a diverse community of 200 students in grades K-4 this year, and will be expanding by one grade each year until we reach K-6 and 420 students. LFCSA is the first (and only!) public school in Los Angeles to offer an arts-integrated curriculum, utilizing a child-centered model of teaching and learning that is research-based and field validated.

As a charter school, we receive public funds, yet we do not receive a facility, furniture and other supplies necessary to run our school. After operating for four years in two different temporary spaces, we are thrilled to have secured an architecturally award-winning, permanent location for our school near the Glassell Park area. We will be serving children and families from all across the Los Angeles landscape.

**We need your help! On May 15, 2010, more than 400 parents and their friends will attend our third annual “Big Night Out” Silent/Live Auction at our new site at 2709 Media Center Drive!** Your donation to the auction will help raise much-needed funds for our school, while providing valuable PR for your business! All auction donors will:

- Be featured on our school’s website, [www.losfelizarts.org](http://www.losfelizarts.org)
- Be listed on our auction website
- Included in our Big Night Out Booklet
- Have space on our auction table, of course!
- Receive tax benefits from the donation
- Generate wonderful goodwill in our community and beyond as your contribution this year especially – in these difficult economic times – will have lasting benefit for years to come with our new facility!

Donations must be received by May 1st to be included in our event booklet.

On behalf of the Los Feliz Charter School for the Arts, we thank you for supporting our wonderful school!
