A group of Jungle People are waking up after a terrible earthquake.

NINGA

Hey I must have bumped my head. It hurts really badly.

JACKSON

What happened? We were eating dinner and then everything started shaking and it all went dark.

BEN

What happened to the house?

LILLY 1

Everything is broken.

ISE

This is terrible. My head hurts too.

LAHLA

Do you hear that? It's so quiet.

FOXY

I can't hear the animals. Where are the animals?

MILEY

Are the animals missing?

MAIA

Hey! Sonic, Nameless, Jayden, Shadow, Mummy, Fox and Knuckles are missing. I can't find them anywhere.

MARGARET

I hate to tell you this but we have no food.

LENA

Where is the food? Where could it have gone?

NINGA

We need to go find our friends. What if they are hurt?

MARGARET

They might have all the food too.

FOXY

Maybe the animals are with them.

MILEY

We need to find the animals first because they can help us find our friends.

JACKSON

Maybe we can climb a tree and see where the animals are.

BEN

Which animal are we going to find first?

ISE

The Jaguar. He'll help us.

EVERYONE

Yeah! The Jaguars. They'll help us.

LILLY 2

Which way do we go first?

LENA

Over there! That way!

The Jungle People go off into the jungle to try and find the Jaguars.

MAIA

I think I see some jaguars among the trees over there.

LILLY 2

Yeah, the jaguars are over there!

LAHLA

Let's go over to them.

NINGA

Jaguar! Jaguar!

BEN

We need your help. Our house was destroyed and our friends are missing.

JACKSON

Can you help us find our friends?

ISE

Oh, please?

LILLY 1
They're not saying anything.

MILEY
He's pointing that way.

FOXY
That's the way to the Monkey God.

MARGARET
Maybe he wants us to go find the Monkey God.

JAGUARS
You must find the Monkey God to find your friends.

LAHLA
I don't know. Nobody has ever seen the Monkey God.

LORAX
You must find the Monkey God.

BEN
Come on, let's go. We've got to find our friends. I'm afraid they might be hurt.

JAGUAR
We cannot go with you. We will stay here.

The Jungle People walk down the path leading towards the known location of the Monkey God. They come upon a clearing where four girls are eating bananas.

ZELLA
Me like bananas.

SPARKLE
Me want more bananas.

PHOEBE
There are plenty of bananas.

TIGER
Me the Monkey God, me like bananas. Oh look! Me see some Jungle People.

PHOEBE
Jungle People? What are you doing here?

SPARKLE

Do you have some bananas?

MARGARET

We don't have any food. Our food was taken during the earthquake.

ZELLA

Me like bananas. Me like earth to shake.

JACKSON

Our friends are missing. We need your help to find our friends.

ISE

The jaguars told us that if we found the Monkey God we would find our friends.

TIGER

Monkey God?

SPARKLE

I'm the Monkey God.

ZELLA

No, I'm the Monkey God.

PHOEBE

No, I'm the Monkey God.

TIGER

I am the real Monkey God.

FOXY

Which one's the Monkey God?

JACKSON

(Pointing to one of the girls)
Could she be the Monkey God?

MAIA

I think maybe she's the Monkey God.

LILLY 2

Maybe she's the Monkey God.

BEN

Please! Do you know where our friends are?

LENA

You have to find out. They've been missing since this morning.

SPARKLE

Me like the earth to shake and down come the bananas.

MILEY

This is not helping.

ISE

Did you cause the earth to shake?

MONKEY GOD SISTERS

We like the earth to shake. We like to eat bananas.

BEN

Did you make our house fall and take our food?

MARGARET

I thought those bananas looked familiar.

LILLY 1

That is not funny, Monkeys. We got hurt.

LENA

We are worried about our friends. How could you do that?

The Monkey God Sisters look at each other. They begin to argue among themselves about who caused the earthquake.

NINGA

Let's get out of here. They are not going to help us find our friends.

MARGARET

I'm taking back our food.

The Jungle People leave the clearing taking back their food. The Monkey God Sisters watch them go in silence. They feel badly about hurting the Jungle People. In another part of the jungle, the missing people are trying to find their way home.

SONIC

Where are we?

JAYDEN

This is weird!

NAMELESS

Do you remember the earth shaking?

ALL

Yeah. Kind of. So?

NAMELESS

We must have bounced to a different part of the jungle.
Is everyone all right?

ALL

I think so. Nothings broken.

KNUCKLES

I'm starting to get hungry. Do we have any food?
I could really go for some banana cream pie.

SHADOW

I could go for some ice cream.

JAYDEN

Ooooh! Lollypop!

FOX

No, we don't have any food.
We should get back and see if the others are okay.

MUMMY

How do we get back?
Do you know where we are exactly?

KNUCKLES

We could use our noses to smell our way back.
Let's stick together. Who's here?

SONIC

Sonic.

NAMELESS

Nameless. I mean I don't have a name.

JAYDEN

Jayden

FOX

Fox.

KNUCKLES

Knuckles.

SHADOW

Shadow.

MUMMY

Where are you Shadow?

It's kind of dark in here.

SHADOW

Over here!

KNUCKLES

Okay. We are all together.

Ready? Let's go.

The missing people start walking back towards their village, sniffing as they go. They encounter the Jaguars.

FOX

Jaguars! What's up? So good to see you!

JAYDEN

We were bounced to another part of the jungle.

We are trying to find our way back.

SHADOW

We're a little bit lost.

JAGUAR

You must come with us to find the Monkey God. This way.

MUMMY

Find the Monkey God?

LORAX

Yes! They caused the shaking of the earth.

Your home was damaged

and they took your food.

MISSING PEOPLE

They did? Why?

JAGUARS
(Shrugging)
We don't know.
We must find out.

The Jaguars lead the missing people to the Monkey God Sisters.

JAGUAR
Here are the Monkey God Sisters.

NAMELESS
What have you done with our home and our friends?

SONIC
Are our friends all right?

LORAX
Monkey God Sisters, you must apologize to them.

TIGER
But we only want bananas.

KNUCKLES
Why don't you get your own bananas?

MONKEY SISTERS
We are too old to climb trees.
We shake the ground to make the bananas fall.

ZELLA
We take your bananas too.

PHOEBE
And banana cream pie.

MONKEY SISTERS
Pie was delicious.

MISSING PEOPLE
You ate our pie!? And took our food!?

MONKEY SISTERS
We sorry.

JAGUARS

You must come back and apologize to everyone.

The Missing People and the Monkey Sisters go to find the rest of the Jungle People.

JUNGLE PEOPLE
Friends! You are all right!

MISSING PEOPLE
Yes. And you are okay too!

NINGA
We were worried about you.

KNUCKLES
We were bounced to another part of the jungle.

MUMMY
But the Jaguars found us and helped us find our way back.

ALL
Thank you Jaguars!

JAGUARS
You're welcome.

LORAX
We've brought the Monkey God Sisters with us.

MONKEY SISTERS
We sorry. We so sorry.
We just want bananas.

MARGARET
Why did you take our food?

SPARKLE
We too old to climb trees.

ZELLA
We shake earth to make banana fall.

PHOEBE
We take your pie. So delicious.

MONKEY GOD SISTERS

Mmmm! So Delicious!

JUNGLE PEOPLE
All you had to do was ask!

MAIA and LILLY 1
We would have shared our bananas with you.

MARGARET
And our pies.

MONKEY SISTERS
Really? You share?

JUNGLE PEOPLE
Sure!

MONKEY GOD SISTERS
Thank you! Thank you!

LILLY 2
Just, please don't shake the earth again.

BEN
We should start fixing up our home.
Margaret, why don't you bake some more pies?

LAHLA
When we're done working we can celebrate.

EVERYONE
Yeah!

The Jungle People, Jaguars, and Monkey God Sisters work together to rebuild their home then sit down to eat some delicious banana cream pie.
