To sign up for a committee, email the contact listed below or come to a meeting.

EVENT COMMITTEE

This committee is responsible for the elements of the party such as tables, lighting, permits and stage. If you have access to tables and chairs, party rentals, lighting, screens, paper products, food service items or large quantities of tablecloths, then this is the committee for you. This is also your committee if you could make a trip to the permit office downtown and send a few faxes to get our permits for the event. Contact Annika Virdone at annikavirdone@gmail.com.

DONATION PROCUREMENT COMMITTEE

Creative thinker who will get 10 auction items or more donated? Be on this committee and get your discounted ticket. Contact Sharon Reilly at sharonreilly@gmail.com.

DONATION CATALOG COMMITTEE

Are you a good organizer? Is data entry a breeze for you? The Donation Catalog Committee organizes the auction items by category and then enters them into the computer. This is done at school with your own laptop. Do you have a few hours a week to help with this? Contact Kristee Benedetto at kristeeb@sbcglobal.net.

RESTAURANT AND FOOD COMMITTEE

This committee is approaching restaurants for our event. If you own a restaurant or if you know someone who does, this is your committee! Once we have our final restaurant line-up, this committee will also organize any additional food and food service items needed. Contact Annika Virdone annikavirdone@gmail.com.

DÉCOR COMMITTEE

Do you like painting, hanging things or planting? This committee could use your help in executing the décor. Contact Kristee Benedetto at kristeeb@sbcglobal.net.

MUSIC, SOUND, STAGE AND TECHNICAL

These magical people make the party come to life by setting up the lighting, projector, computers and DJ equipment. If you have access or skills with this type of equipment, this committee needs you! Contact Annika Virdone at annikavirdone@gmail.com.

THE PARTY COMMITTEE

If none of the above committees is doable for you, then take an event shift! It takes about 80 people to set up and work the event. It is fun to work at the party, especially with a friend. Contact Kristee Benedetto at kristeeb@sbcglobal.net.

CLASS PROJECTS

This year, the visual arts teacher, Evelyn Serrano, will be doing the class projects with the kids. If your class has already started something or you would like to do an additional class project to be in the auction, contact Karin Elsener at kelsener@pacbell.net.
